

ENGLAND SQUAD TRIALS 2019

On The Day

- The day will include a rotation of warm up skills, sessions and games.
- Please ensure that you have the appropriate footwear and clothing i.e: Astroturf boots, football boots and waterproofs in case of inclement weather.
- Refreshments will be available to purchase at the venue.
- Successful trialists will be informed within two weeks of the trial date.

Note: Trial dates may be subject to cancellation and/ or rearrangement according to the numbers of participants entering.

Eligibility

Players do not need to be a Rounders England Member to trial. However, if they are successful in the trial, the player will have to join the membership to play for England. This can be;

- an [Individual Membership](#)
- your [School's Education Membership](#)
- your [Team's Membership](#)

Selection

The players are identified by independent selectors following a [set criteria](#) based on specific skills, aptitude and game awareness.

Commitment

Being part of an England Squad is rewarding and satisfying but it also demands commitment and professionalism.

You can read more about each of the above processes in the [England Selection Policy](#).

The England squad trials are organised by Rounders England, the national governing body for the sport. If you require further understanding or have any questions about this opportunity, you can [contact](#) the National Office on 0114 248 0357.
